

The Bee Hive

The Rough Rider Hats

Have met with a splendid reception. They are certainly well adapted for knock-about wear, with a style about them that gives the wearer a decidedly jaunty appearance. The various shapes, such as Cavalier, Lawton, Ladysmith, Marlborough and Dakota, all to be found in our stock, are absolutely the very latest and will be most popular for fall wear. They come in many colors. Prices 79c. to \$1.89.

Shirt Waists at Less Than Cost.

We have determined not to carry over any Shirt Waists. Every inducement will be offered to sell 'em quickly. Prices have been still more reduced, and whether you need a waist for this or next season's wear, it will pay you to buy now. \$1.50 waists are now 98c.; the \$1 kind are 69c.; those that were marked 75c. are marked down to 50c., and so on through the list. They come both white and colored. All styles.

YOUR ATTENTION

Is called to our silk and Dress Goods department. From now until the fall season is fairly opened there will be new arrivals in these departments almost every day. We have already on hand over fifty different fall shades of plain Taffeta Silk, sold elsewhere at \$1, priced here at 89c. More to come. AFTER MANY YEARS,

James Sullivan, Whose Real Name is Said to be Daniel Ryan, Will Have to Answer For a Serious Crime.

James Sullivan, whose real name is said to be Daniel Ryan, was placed under arrest Saturday night and will be held to await the arrival of officers from Ohio, who are expected to reach Maysville some time to-day.

It will be remembered that Sullivan, who runs a saloon at the corner of Front and Market, was supposed several weeks ago to have lost his mind and the court sent for Mrs. Radden, who Sullivan said was his sister. When she arrived she found it to be true that Sullivan was her brother. She stated that he had killed a man named Severs eleven years ago at Georgeville, near Columbus, and had not been heard of since by any member of the family.

Sullivan—or Ryan's—name is also associated with a killing that occurred when he was only nine years of age. About thirty years ago neighbors were shocked to hear one morning that "Old Paddy" was killed. The old fellow had been shot through the abdomen with a shot-gun and it was proven that no one was in the house at the time but young Daniel, who is now called Sullivan, and his father. The boy claimed the old man shot himself while fooling with the gun, and that he had helped him in bed and then went to sleep himself. The case was dropped owing to the youth of the boy.

Years afterwards, Ryan, with a brother-in-law, opened a saloon at Georgeville. They were there a year, when one night Ryan and Severs got into some kind of a squabble and Ryan killed him. He left that night and nothing was heard of him until he sent for his sister, thus making himself known, and she in turn telling of his trouble at that point. It was for this crime that he was arrested and for which he is being held for the Ohio authorities.

PECULIAR ACCIDENT.

A Lad Painfully Injured By Striking His Foot Against a Lead Pencil.

Master Willie Clark, son of Mr. and Mrs. Lawrence Clark, met with a rather peculiar accident Saturday. While running on Plum street, a lead pencil dropped from a pocket in his shirt and struck the pavement just as the foot was brought forward, which struck the point of the pencil with such force that it penetrated the member about three inches. Mr. John Buckley, who happened to be nearby, removed the boy to his store where the pencil was extracted and the injury dressed.
